A Reliable Name in Industrial Trading

Jubarah Partners & Company is a leading industrial trading and supply organization headquartered in the Kingdom of Saudi Arabia, with an established presence across the United Arab Emirates and the Kingdom of Bahrain. We are a trusted partner to the Oil & Gas, petrochemical, refining, power and industrial sectors, delivering comprehensive procurement and supply solutions throughout the GCC.

Our core expertise lies in the supply of high-quality Mechanical, Electrical, Instrumentation and Automation (MEIA) products, serving major operators, EPC contractors, maintenance providers and industrial facilities. Through strategic partnerships with globally recognized OEMs and manufacturers, we provide genuine products that meet the highest international quality and industry standards.

Supported by a highly experienced team, robust technical capabilities and an efficient global supply chain, we are committed to delivering cost-effective solutions, competitive lead times and exceptional customer service. Our focus on reliability, quality and operational excellence enables us to support our clients in maximizing asset performance, minimizing downtime and ensuring safe, efficient and sustainable operations.
